Two in Maneuvers

AUGSBURG, Germany — Army Specialist Four Frank E. Maure and PFC Earl J. Bray of Torrance, are scheduled to participate with other personnel from the 24th Infantry Division in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany Feb. 1-7.

Winter Shield, an annual winter maneuver designed to determine the combat readiness of Seventh Army troops, will provide realistic training under simulated combat conditions. Special emphasis will be placed on the role of the individual soldier and the small-unit leader. The exercise will involve 60,000 troops and will mark the first time in history that major units of the new Germany Army will participate jointly with U.S. ground forces in a field exercise.

Specialist Maure, son of Mr. and Mrs. Ruke J. Maure, 21242 Lynton Ave., is an automatic rifleman in Company C of the division's 28th Infantry. The 24-year-old soldier entered the Army in June 1958 and completed basic training at Fort Riley, Kan. He was graduated from Elkhart High School in 1954.

The 24-year-old soldier, whose wife, Sheila, is with him in Germany, entered the Army in June 1958 and completed basic training at Fort Riley, Kan. He was graduated from Torrance High School in 1953 and was employed by Douglas Aircraft, Incorporated, before entering the Army.

Shutterbugs Click Under Moonlight

Camera enthusiasts in the South Bay area are pursuing their specialty by the light of the moon — at least many of them are going to night school. The photography class at Torrance Adult School is becoming a must with local shutterbugs who wish to learn the latest advances in photographic methods and equipment.

Paul Comon, instructor and local photography expert, includes in his course discussion on cameras, lenses, exposure meters, films, filters and accessories. The class participates in practice of night shots, close-ups, portraits, flash and flood lighting. Advanced study of composition, color harmony and balance insure more professional pictures.

A new course in photography for adults will be starting at Torrance Adult School on Monday, Feb. 1, from 7 to 9:30 p.m., Room 121, Torrance High School. New students may register at that time, says R. E. Collins, Adult School principal.
